About the Surgeon:

Dr. Jagannath Boramani is an eminent Ophthalmologist from Navi Mumbai. He has completed his M.B.B.S. and M.S. from Dr. V. M. Medical College, Solapur. He was a student with bright academic career and has never missed University Rank throughout his career. He holds the university record of highest marks in the Pre-Degree examination. Apart from academics, he has also received many prizes in elocution, acting and painting.

Dr. Boramani has developed the 'Closed Chamber Manual Phacofragmentation Technique' and has designed the 'Axe Chopper'. He has to his credit numerous scientific presentations, in state and national conferences and has received few awards for the same.

He has to his credit '**Best Paper Award in the P.G.**

section' in 1985, '**Dr. Y. K. C. Pandit award'** in 2000 and the '**Innovation in Ophthalmic Practice Award'** in 2003 and '**Best Academic Private Practitioner Award'** in 2006, '**V.K. Chitnis Orator Award** as well as '**Best Video Award** in 2015 in the Maharashtra State Ophthalmological conferences.

He has received the **SANTE VISION AWARD** for the overall Best Paper presented at the Cataract Sessions in All India Ophthalmic Conference in 2004. He has also received '**Best Presentation Award'** in the 2nd annual conference of the IAOH, Thane-Raigad branch.

Dr. Boramani has more than 80 presentations in various conferences in India and about 20 presentations abroad. Dr. Boramani has been regularly invited as guest fac-

ulty at various state, national & international conferences. He has conducted numerous instruction courses & live surgical demonstration of his new technique at various Ophthalmology Society meets all over India as well as outside the country (France, Malaysia, Indonesia, Philippines). He has contributed in 4 international books. He has published many scientific papers and articles in various medical journals, magazines and newspapers.

He has participated in many educational TV shows. He was Secretary and Vice-President of IMA Navi Mumbai. He is the Ex-President of the "Navi Mumbai – Raigad Ophthalmologists' Association". He has also organized various conferences & live surgical workshops. He is presently the Vice-Chairman and Chief Editor of the Journal of the

'International Society of Manual Small Incision Cataract Surgeons'. He was the Chairman –Scientific Committee of 1st World Conference of ISMSICS held in Pune in 2015. He is the organizing secretary of forthcoming 2nd World conference of ISMSICS, to be held in Chennai. His organization skills were very well appreciated when Maharashtra State Ophthalmological Conference was held for the first time in Navi Mumbai in 2016. As a part of 'Go Green' initiative, he made this conference paperless. As the organizing secretary he introduced many new concepts for the first time in MOS-CON2016.

About Chennai

Formerly known as Madras is the capital of the Indian state of Tamil Nadu. Located on the Coromandel Coast off the Bay of Bengal, it is one of the biggest cultural, economic and educational centres in South India. Despite the visible 'westernization', Chennai still remains deep-rooted in culture and tradition.

Chennai is a thriving hub of manufacturing, technology and healthcare industries. It also ranks high among the foremost centers of information technology and business process outsourcing. The city is home to the second-biggest film industry in the country after Mumbai. Besides Tamil, Malayalam and Telugu movies are also produced in Chennai. Tamil stars are venerated and have often gone on to rule the state of Tamil Nadu. From Carnatic music and Bharatnatyam to fusion, Chennai offers a lot when it comes to art and culture. World renowned musicians like AR Rahman and Sivamani hail from this city. Rahman is also known as the Mozart of Madras. The city is the Mecca for Carnatic music fans as thousands of concerts are held across the city during the Tamil month of Marghazi. Dance recitals too are a common feature during the season.

Welcome to CCC—2017, 1st—3rd December, ITC Grand Chola, Chennai.

The International Society of Manual Small Incision Cataract Surgeons (ISMSICS) is proud to announce its 2nd World Conference on MSICS at ITC Grand Chola, Chennai, Tamil Nadu, India. The event shall be held on the 1st, 2nd and 3rd of December 2017. The pre-conference workshop will be on the 1st of Dec, 2017 at Aravind Eye Hospital, Chennai and the main conference will be held on the 2nd and 3rd of Dec, 2017 at ITC Grand Chola. The

Aravind Eye Care System has pioneered high quality; high volume cataract surgery since 1970's and is at the forefront to eliminate cataract blindness. It has trained cataract surgeons from more than 140 countries and has won the first prestigious Bill & Melinda Gates Foundation Award given to NGOs (Parallel Nobel Prize). ISMSICS is pleased to be the partner with Aravind Eye Care System in dissemination of quality eye care by holding this Comprehensive Cata-

ract Conference 2017 (CCC 2017) and 2nd World Conference on MSICS.
