

ISMSICS—Punjab

ISMSICS—Punjab Chapter was announced on 20th of January, 2018, Saturday, at IIRSI—Mid Term Conference at Amritsar.

The announcement was done in IIRSI-ISMSICS symposium on Manual SICS by Dr. Jagannath Boramani.

In his announcement, he spoke about Dr. Sahu's vision about ISMSICS and

goals of the society in coming times. According to him MSICS is the most advanced form of cataract surgery, in which refractive goals can be met with minimal investments and without a financial burden on the patient.

Dr. Ranjit S. Dhaliwal, was nominated Hon. Chairman of Punjab Chapter of ISMSICS. With his passion for Manual SICS, his surgical skills and experience, ISMSICS expects to achieve great heights in Punjab. Dr. Dhaliwal will soon announce his office bearers in Punjab.

On the occasion, Dr.

Boramani also presented him a token of gratitude from ISMSICS.

The entire team of ISMSICS conveys its best wishes to Dr. Dhaliwal to pursue his passion to promote MSICS in his state and promises support in all his future projects under ISMSICS—Punjab.
